Re: Administrative Order Closure  
Docket No. SDWA-08-2004-0043  
PWS ID #5601111

Dear Mr. Shepherd:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket Number SDWA-08-2004-0043, issued to the Sylvan Bay Summer Homeowner's Association ("HOA") on August 25, 2004. Based on the information provided by the HOA, EPA has decided that, notwithstanding the violation that the HOA incurred when a total coliform sample for 3<sup>rd</sup> quarter 2005 (July-September) was not taken until October 2, 2005, we will close the Order at this time. To avoid possible future enforcement actions, we urge the HOA to monitor within the required timeframes.

Please be aware that the HOA is still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. Part 141. Violation of the NPDWRs or an administrative order may subject the HOA to a court-imposed injunction and penalties of up to \$32,500 per day of violation.

Thank you for your cooperation in resolving this issue. If you have any questions related to this matter, please call Kathelene Brainich of my staff at (800) 227-8917 X6481.

Sincerely,

**SIGNED**
